Gentlemen:-

We note in making a recent payment to us covering our invoice of May 9th #1-S-3027 to the amount of \$10.02 that you deducted a claim of \$3.10, which we do not quite understand.

Will you please advise why this amount was deducted as we find where the merchandise on this invoice was charged to you at the wholesale prices, so cannot understand why the claim of \$3.10 was deducted from your payment.

Yours very truly,
A. G. SPALDING & BROS. DIV.
